The novellas are co-written by Clare, Maureen Johnson, and Sarah Rees Brennan. Release of the novellas began in April 2013 in e-book and audio versions, and were released in a combined print edition in November 2014.[1] The Bane Chronicles has appeared on the New York Times Bestsellers list for Children's Books a number of times beginning in July 2013.[2] Development Clare, Johnson, and Brennan have stated that development on the series began when they were telling stories about Clare's character of Magnus Bane to each other. They decided that the non-traditional style of interconnected novellas would be best served by initial Internet publication. The series is also notable for using well-known actors as narrators for the audiobook versions of each novella. The authors provided a list of dream narrators to their publisher, and each audiobook has a different narrator, including Andrew Scott, Michael Trevino, and Jesse Williams.[3] For some of the actors, this was their first time doing voice work.[4] The first 10 stories were released between April 2013 and March 2014, and the compiled print version, released in November 2014, contained an eleventh story exclusive to the book. Novellas[5] What Really Happened in Peru (with Sarah Rees Brennan) Release Date: April 16, 2013 Narrator: Jesse Williams The Runaway Queen (with Maureen Johnson) Release Date: May 21, 2013 Narrator: George Blagden Vampires, Scones and Edmund Herondale (with Sarah Rees Brennan) Release Date: June 18, 2013 Narrator: Andrew Scott The Midnight Heir (with Sarah Rees Brennan) Release Date: July 16, 2013 Narrator: David Oyelowo The Rise of the Hotel Dumort (with Maureen Johnson) Release Date: August 20, 2013 Narrator: Stephen Lunsford Saving Raphael Santiago (with Sarah Rees Brennan) Release Date: September 17, 2013 Narrator: Michael Trevino Fall of the Hotel Dumort (with Maureen Johnson) Release Date: October 15, 2013 Narrator: Cecil Baldwin (of Welcome to Night Vale) What To Buy The Shadowhunter Who Has Everything (And Who You're Not Officially Dating Anyway) Release Date: November 19, 2013 Narrator: Jordan Cavaris The Last Stand of the New York Institute (with Maureen Johnson and Sarah Rees Brennan) Release Date: December 17, 2013 Narrator: Jamie Bamber The Course of True Love (and First Dates) Release Date: March 18, 2014 Narrator: Gareth David-Lloyd The Voicemail of Magnus Bane Release Date: November 11, 2014 (exclusively in full book print version) Narrators: Seth Numrich and Molly C. Quinn (exclusively in full book audio version) References ^ Briskey, Breia (December 10, 2012). "Cassandra Clare launches e-serialization based on popular 'Mortal Instruments' character". Find us on social media Cassandra ClareSarah Rees BrennanMaureen Johnson April 16, 2013 (first story)November 11, 2014 (print edition) Simon & Schuster (Margaret K. McElderry Books) The Bane Chronicles is a compilation of 11 short stories telling the tales of the High Warlock of Brooklyn, Magnus Bane, and co-written by Cassandra Clare, Sarah Rees Brennan, and Maureen Johnson. First released in e-book format, a print edition of the collection was published on November 11, 2014. Description It's not easy being Magnus Bane. As a warlock, he's often called upon to fix problems of others. His life has been long, and his loves have been many, and Magnus has a way of making sure he's at the right place at the right—or perhaps wrong—time. The French Revolution, Prohibition, the first great battle between Valentine and the New York Institute... Magnus was there. But smuggling Marie Antoinette out of France is nothing compared to having a first date with Alec Lightwood. Though Magnus's tale is far from over, these stories shed a little light on his often inscrutable character. What happens when an immortal warlock goes mad? Are all Herondales as problematic as Will? (Answer: yes.) And why was Magnus banned from Peru? Magnus will never be able to tell all of his tales. No one would believe him. But here are eleven stories that fill in some of the blanks—stories he probably wishes had never gotten out. Stories Gallery Illustrations What Really Happened in PeruVampires, Scones, and Edmund HerondaleThe Rise of the Hotel DumortThe Fall of the Hotel DumortWhat to Buy the Shadowhunter Who Has EverythingThe Last Stand of the New York InstituteThe Course of True Love (And First Dates)The Voicemail of Magnus Bane Art Editions International overs Brazilian-Portuguese coverBrazilian-Portuguese covers put togetherRussian complete edition cover2nd Russian complete edition cover Trivia The cover model for Magnus Bane on the original US cover is Remington Hoffman; the model's brother is on the cover of Clockwork Prince as Jem Carstairs. In City of Heavenly Fire, Magnus gave Alec Lightwood a notebook containing stories that shaped his life, which he wrote in the weeks following their breakup. The Bane Chronicles is either all or a part of the stories contained in this notebook itself.[1][2] The print edition features a bonus story (The Voicemail of Magnus Bane) and 10 illustrated scenes, one for each story, drawn by Cassandra Jean. The Rise of the Hotel Dumort and The Fall of the Hotel Dumort was originally teased as one story. The Rise and Fall of the Hotel Dumort. Its separation may have either resulted from or caused the removal of certain stories from the original set of 10 online released e-books. No Immortal Can Keep a Secret was originally intended to be released as the seventh story on October 15, 2013, co-written with Maureen Johnson. However, it was removed from the final compilation at one point while the first few installments were still being released in e-book form after their expert on turn of the century Vienna dropped out.[3] (Description: Magnus at the turn of the 20th century decides to try this new "psychoanalysis" with Dr. Freud. But clearly the doctor has no experience to help deal with a centuries-old warlock with a very complicated dating history and some very unusual father issues.) The Letter, for which no description and spoilers were given, was supposed to be a separate installment released as the tenth story on December 31, 2013.[4] It was instead worked into City of Heavenly Fire and removed from the chronicles.[5] It may have had something to do with the story about Michael Wayland that Robert Lightwood told his son in the book, presumed because the artist Cassandra Jean once pointed out a letter in Michael's hand in one of her Flower cards.[6][7] The Bane Chronicles Russian translation was divided and distributed as a trilogy. The first book contains the first three stories from the series and went on sale in December 2014, and the following installments were released months after.[8] External links References Fans of The Mortal Instruments and The Infernal De...
